Safety doesn't happen by accident.

HEALTH & SAFETY FIRST AID

For businesses who have
employees that work in high
risk hazardous environments

HSE First Aid Kits
BSi First Aid Kits
Travel Kits
Refills and Supplies

Health and safety at work is paramount.

Businesses take health and safety very seriously, especially when there are risks and hazards in environments such as a construction site, warehouse or manufacturing plant. Keeping employees and visitors safe is paramount but if an accident does occur you should look no further than the premium range of Wallace Cameron specialist first aid kits so you can always treat specific injuries or ailments appropriate to your business sector.

The following pages feature the first aid kits designed for use by businesses who have employees that work in high risk hazardous environments.

Ideal for:

Construction Sites

Manufacturing

Factories

Warehouses

Garages

Sports Venues

DID YOU KNOW?

The most common types of injuries are slips and trips (28%), handling, lifting or carrying (24%) and being struck by moving objects (10%).

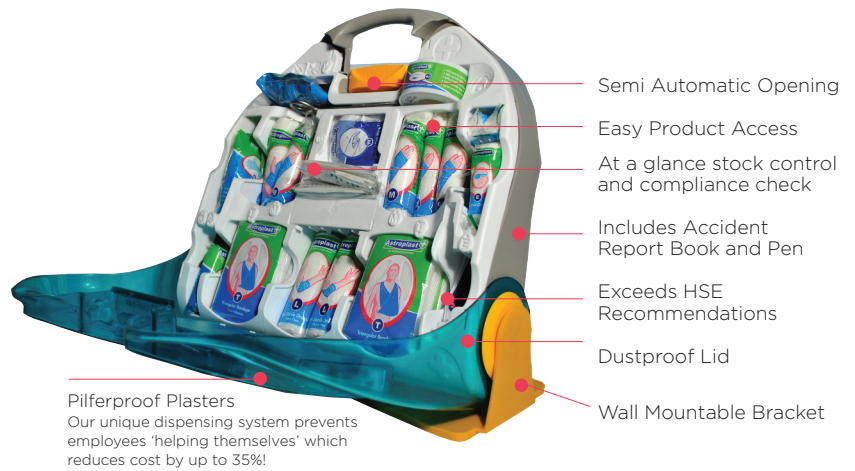

Source: www.hse.gov.uk

All of our high quality first aid kits are constructed from robust, durable and dust free materials. Some can be wall mounted so that you can clearly display your first aid solutions for everyone to see and have a carry handle for easy transportation if you need to deliver treatment on the go.

Award Winning First Aid

Workplace first aid solutions for every type of business.

The Health and Safety (First-Aid) Regulations 1981 require businesses to provide adequate and appropriate first-aid equipment, facilities and people so that employees can be given immediate help if they are injured or taken ill at work.

It is vital that you have first aid kits and supplies that are suitable to meet the needs of your business so that you can keep employees, customers and visitors safe in your workplace. The premium and innovative range from Wallace Cameron have been designed with safety in mind, whatever your business.

HEALTHCARE

Healthcare professionals such as a doctor, nurse, dentist, paramedic or care worker need to be able to deliver effective first aid immediately when a patient becomes ill.

Our premium range of healthcare solutions protect from risk of infection or cross contamination from blood, urine, vomit and faeces.

HEALTH & SAFETY

Businesses take their health and safety responsibilities very seriously but in high risk environments such as construction, manufacturing and warehouses, accidents will unfortunately happen.

Protect your employees with our first aid kits for treating injuries such as burns and eye ailments.

FM

Facilities Managers are responsible for keeping employees and visitors safe and complying with the latest health and safety regulations. First aid should be top of every agenda to prevent an illness or injury getting worse.

Our HSE and BS workplace kits are ideal for general first aid needs.

FOOD HYGIENE

The catering industry is fraught with hazards for chefs and waiting staff who will know from painful experience about chopping accidents, hot oil burns or slipping on a spillage.

Our food hygiene kits contain blue detectable gloves and plasters that prevent contamination and infection.

EDUCATION

Keeping students safe is vitally important in early years, nurseries, school, colleges and universities and first aid is a vital component.

Our first-class range of education kits and supplies enable you to administer first aid in the medical room and also off-site such as on a sports field or on a trip.

TRAVEL

Your first aid duty of care doesn't just apply to those who work in your premises, you are responsible for meeting the needs of those who work away from the business.

Our specialist range of travel solutions keep your employees safe on the road, especially in winter or travelling in Europe.
