# Health and safety at work is paramount.

Nothing is more important than making your employees and visitors feel safe, healthy and productive whilst ensuring that you are complying with the latest Health & Safety regulations. Regrettably people get sick and accidents happen so first aid should be at the top of your agenda to make sure an illness or injury doesn't get worse.

The following pages feature our premium range of first aid solutions for keeping your workplace safe.

Ideal for:

Offices

Reception Areas

Canteens

Data Rooms

Car Parks

Warehouses

## DID YOU KNOW?

There were 609,000 self-reported non-fatal injuries to workers in 2016/17. Make sure your employees don't become statistics.

# Award Winning First Aid

Workplace first aid solutions for every type of business.

The Health and Safety (First-Aid) Regulations 1981 require businesses to provide adequate and appropriate first-aid equipment, facilities and people so that employees can be given immediate help if they are injured or taken ill at work.

It is vital that you have first aid kits and supplies that are suitable to meet the needs of your business so that you can keep employees, customers and visitors safe in your workplace. The premium and innovative range from Wallace Cameron have been designed with safety in mind, whatever your business.

## HEALTHCARE

Healthcare professionals such as a doctor, nurse, dentist, paramedic or care worker need to be able to deliver effective first aid immediately when a patient becomes ill.

Our premium range of healthcare solutions protect from risk of infection or cross contamination from blood, urine, vomit and faeces.

## HEALTH & SAFETY

Businesses take their health and safety responsibilities very seriously but in high risk environments such as construction, manufacturing and warehouses, accidents will unfortunately happen.

Protect your employees with our first aid kits for treating injuries such as burns and eye ailments.

## FM

Facilities Managers are responsible for keeping employees and visitors safe and complying with the latest health and safety regulations. First aid should be top of every agenda to prevent an illness or injury getting worse.

Our HSE and BS workplace kits are ideal for general first aid needs.

## FOOD HYGIENE

The catering industry is fraught with hazards for chefs and waiting staff who will know from painful experience about chopping accidents, hot oil burns or slipping on a spillage.

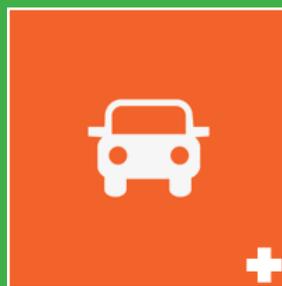

Our food hygiene kits contain blue detectable gloves and plasters that prevent contamination and infection.

## EDUCATION

Keeping students safe is vitally important in early years, nurseries, school, colleges and universities and first aid is a vital component.

Our first-class range of education kits and supplies enable you to administer first aid in the medical room and also off-site such as on a sports field or on a trip.

## TRAVEL

Your first aid duty of care doesn't just apply to those who work in your premises, you are responsible for meeting the needs of those who work away from the business.

Our specialist range of travel solutions keep your employees safe on the road, especially in winter or travelling in Europe.
