

by WallaceCameron International

First aid for the hospitality industry.

The catering industry is fraught with hazards for chefs and waiting staff who know from painful experiences about chopping accidents, hot oil burns or slipping on a spillage. Choose the Wallace Cameron range of premium food hygiene kits to treat the minor ailments and prevent contamination.

Mezzo HSE Catering First Aid Kits

First aid for up to 50 persons available in the Mezzo Dispenser. This meets the minimum approved code of practice. Plasters and gloves are blue detectable.

Blue Detectable Plasters

Blue detectable plasters for use in the food industry. Each plaster has a metal strip, detectable by machines and offers fantastic protection to cuts, grazes and scrapes to prevent infection. The strong adhesive ensures they stay firmly in place while you work and keep your wound from being exposed, allowing it time to heal thoroughly.
