First aid for the hospitality industry.

FOOD HYGIENE FIRST AID

Kits for treatment catering of
accidents, trips or burns.

HSE Food Hygiene Kits
BSi Food Hygiene Kits
Burns Treatment
Supplies and Refills

First aid for the hospitality industry.

The catering industry is fraught with hazards for chefs and waiting staff who know from painful experience about chopping accidents, hot oil burns or slipping on a spillage. With so many potential risks for employees, being prepared for an accident or emergency is essential.

The following pages feature our premium food hygiene kits that contain blue detectable gloves and plasters specifically designed for the catering industry to prevent contamination and infection.

Ideal for:

Restaurants

Cafés

Catering

Nightclubs

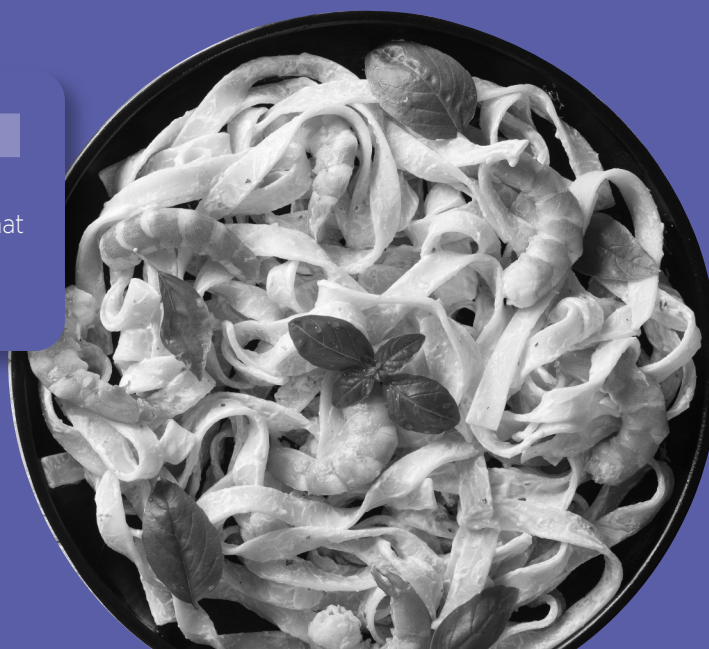

Bars

Canteens

DID YOU KNOW?

The number of slips, trips and falls that were self-reported in 2016/17 were 110,000. Be prepared for when an accident occurs. Source: www.hse.gov.uk

All of our high quality first aid kits are constructed from robust, durable and dust free materials. Some can be wall mounted so that you can clearly display your first aid solutions for everyone to see and have a carry handle for easy transportation if you need to deliver treatment on the go.

Adulto

W:37cm D:12.5cm H:34cm

Pilferproof Plasters
Our unique dispensing system prevents employees 'helping themselves' which reduces cost by up to 35%!

Mezzo

Piccolo Burns Kit

The compact Piccolo Burns Dispenser is ideal for use in the home, workplace or on holiday. Suitable for emergency care on burns, scalds and sunburn. Burn gels moisturise, cool and soothe, minimising trauma and help prevent infection. Non-adherent and non-toxic.

Order Code: **1009005**

Order Code: **1009007** Refill

Burn Kool

Suitable for providing emergency treatment to minor burns, scalding and sunburn. The unique formula of the dressing contains Australian tea tree oil and cools, moisturises and soothes the affected area to minimise pain and trauma and prevent infection. They are non-toxic and non-adherent so they can be taken off easily without causing further pain or damage. The specially formulated gel is made up of sterile water which is then applied to the injury to cool it by evaporation, lowering the skin temperature to prevent further damage to the skin by transferring heat away from the burn.

Award Winning First Aid

Workplace first aid solutions for every type of business.

The Health and Safety (First-Aid) Regulations 1981 require businesses to provide adequate and appropriate first-aid equipment, facilities and people so that employees can be given immediate help if they are injured or taken ill at work.

It is vital that you have first aid kits and supplies that are suitable to meet the needs of your business so that you can keep employees, customers and visitors safe in your workplace. The premium and innovative range from Wallace Cameron have been designed with safety in mind, whatever your business.

HEALTHCARE

Healthcare professionals such as a doctor, nurse, dentist, paramedic or care worker need to be able to deliver effective first aid immediately when a patient becomes ill.

Our premium range of healthcare solutions protect from risk of infection or cross contamination from blood, urine, vomit and faeces.

HEALTH & SAFETY

Businesses take their health and safety responsibilities very seriously but in high risk environments such as construction, manufacturing and warehouses, accidents will unfortunately happen.

Protect your employees with our first aid kits for treating injuries such as burns and eye ailments.

FM

Facilities Managers are responsible for keeping employees and visitors safe and complying with the latest health and safety regulations. First aid should be top of every agenda to prevent an illness or injury getting worse.

Our HSE and BS workplace kits are ideal for general first aid needs.

FOOD HYGIENE

The catering industry is fraught with hazards for chefs and waiting staff who will know from painful experience about chopping accidents, hot oil burns or slipping on a spillage.

Our food hygiene kits contain blue detectable gloves and plasters that prevent contamination and infection.

EDUCATION

Keeping students safe is vitally important in early years, nurseries, school, colleges and universities and first aid is a vital component.

Our first-class range of education kits and supplies enable you to administer first aid in the medical room and also off-site such as on a sports field or on a trip.

TRAVEL

Your first aid duty of care doesn't just apply to those who work in your premises, you are responsible for meeting the needs of those who work away from the business.

Our specialist range of travel solutions keep your employees safe on the road, especially in winter or travelling in Europe.
