

First Aid BS Minimum Compliance Checklist

BS-8599-1 British Standard Workspaces

Your first aid representative should check the stocks of your first aid kits regularly to make sure they are complete and supplies are not past their use by date.

When did the standard come into force?

BS-8599-1 came into force on 30th June 2011 and governs the contents and guidance for workplace first aid kits. Use our checklists to assess your first aid requirements for the number of employees in your business.
